Project Staff - Call for Application

Applications are invited for filling the position of **Research Associate (1 No.)** on a temporary basis under BRNS sponsored research project “**Monoclonal IgY Antibodies against SARS CoV-2 (S) Protein using Phage Display Assay for Passive Therapy**” (54/14/08/2020-BRNS/37084). The duration of the project will be 18 months from the date of sanction of the project. The engagement will be originally for six months, which may be extended or curtailed depending upon the performance or conduct of the appointee.

Essential Qualifications:

- i. M.Sc. & Ph.D in Microbiology from a recognized university. Applicants with NET would be given preference.
- ii. Two years of experience in academic research.
- iii. Experience in techniques such as cloning, surface display of peptides, handling of chicken and generation of monoclonal antibodies is a must.

The application along with scanned copies of appropriate certificates/testimonials, latest curriculum vitae of the applicant with photo must be sent by **email to amichela2000@gmail.com / michael@psgcas.ac.in** by **6:00 pm of 29.09.2020** with the subject as: “BRNS - Application for RA”. Please combine the application and all the supporting documents in a single PDF file and send it as attachment to the e-mail. Emails with multiple attachments as well as those received after the closing date and time will not be considered.

Date: 21.09.2020
